About Me

I'm Malvin — a passionate full-stack engineer focused on building clean, scalable, and secure systems.

My love for Linux, backend engineering, and devops drives me to keep pushing boundaries and exploring new technologies.

Skills

- HTML, CSS, JavaScript, PHP, Next.js, Laravel, Astro, Tailwind CSS, Bash, Linux
- MongoDB, MySQL, MariaDB, PGSQL
- English, Chinese (Mandarin Learning)

Language

- Web 3.0 & BlockChain
- Artificial Intelligence
- Website Development
- 3rd Winner FLS2N Short Movie, Badung Regency

Education

SMK Pariwisata Triatma Jaya Badung

2023 - 2026

High School Diploma in Web and Game Dev

My academic journey has helped me build a solid foundation in both front-end and back-end web development, using technologies like HTML, CSS, JavaScript, PHP, Laravel, and Next.js. I've also gained hands-on experience with Linux systems, and command-line

Experience

Project Manager

Apr 2025

Sevanam Enterprise | Kerobokan Kelod, Badung Regency, Bali

Led a team of 10 in developing a laundry management app that streamlined customer order handling. I managed the project timeline and ensured smooth collaboration throughout development.

- Delivered the project with 100% completion rate.
- Oversaw all phases from planning to deployment.
- Ensured on-time delivery of each milestone.

Director of Photography

March 2025

FLS2N Competition | Dalung, Badung Regency, Bali

Directed the production of a short film titled "Coba Aja Dulu" for the national FLS2N creative arts competition. I handled visual storytelling using professional video equipment.

- Learned professional-level camera operation techniques for narrative storytelling and technical shoots
- Delivered a complete film under tight event deadlines.
- Successfully filmed and produced a complete short film titled "Coba Aja Dulu", and shooting

Content Editor

2025

VanWinkle | Panjer, South Denpasar, Bali

Freelance with VanWinkle, a Bali-based fashion brand, to edit marketing content and product descriptions. Focused on maintaining a consistent brand voice and improving clarity across digital platforms.

- Edited and refined written content for promotional use..
